I would like my donation to be anonymous
 Yes No

The Grammar School at Leeds would like to keep in touch with you. If you would prefer NOT to receive relevant communications from us, please tick this box

Make your donation worth 25% more at no extra cost to you

Yes, I am a UK taxpayer and would like The LGS and LGHS Foundation to treat all donations I have made in the last four years and all donations I make in future as Gift Aid donations. I have paid income tax and/ or capital gains tax for each tax year at least equal to the tax you, and all other charities and Community Amateur Sports Clubs (CASCs) that I donate to, reclaim on my donations for that tax year. I understand that VAT and Council Tax do not qualify.

A message from Sue Woodroffe, Principal, The Grammar School at Leeds

Dear friend

A lot may have changed at The Grammar School at Leeds since you studied here yourself, but one thing that will never change is our core belief that every child deserves the opportunity to achieve success – no matter what life chances they were born with.

As the education system has evolved over the years, it has become even more important that we protect this belief, and last year over £1m was invested in helping over 170 pupils with financial support.

Of course, all of our bursaries are means tested, so any funds we raise from appeals like this will be allocated to pupils in genuine need.

I hope that today you will consider helping us to support more children, who deserve every opportunity to succeed.

Yours sincerely

Sue Woodroffe

Principal, The Grammar School at Leeds

A life-changing opportunity

Children who study at The Grammar School at Leeds on a bursary are being given opportunities they simply may not find elsewhere. But don't take our word for it. Just look at some of our academic results, which speak for themselves:

- **81% of our bursary pupils achieved at least ABB in their A-levels in 2016**
- **Over 70% of our bursary students are going to Russell Group universities in 2016**
- **At least one bursary pupil has gone to an Oxbridge college in each of the past five years**
- **Bursary pupils have secured places on the most sought-after university courses including medicine, law, engineering, business, science and economics**

The Grammar School at Leeds: a history of philanthropy

Leeds Grammar School and Leeds Girls' High School were both born from a simple idea – to help young people achieve success.

That philanthropic heart beats stronger than ever at what has since become The Grammar School at Leeds. But in 1997, the Assisted Places Scheme, which had itself replaced the generous Direct Grant Scheme, was abolished, meaning independent schools no longer receive any central government or local authority funding.

So in order to keep this idea alive and well, we now work harder than ever to ensure bright, talented and dedicated children have the opportunity to thrive – regardless of their social or economic background.

You too can help with this. Please fill in this form today and help us fund more bursaries, so children from all walks of life can enjoy the brilliant opportunities we provide at The Grammar School at Leeds. **Thank you.**

Please help us give more children the opportunities they deserve – regardless of their background. **Thank you.**
